## **PRESIDENT'S Report**

Hello KRC Membership! In the last month we have experienced a lot of rain, dodged a hurricane threat and are now enjoying a few clear days. I hope you all are having wonderful cool days and fun with family and friends.

As for KRC business, our August Board meeting was partially focused on golf course drainage. The topic has been front and center this year. In making inquiries to local engineering firms for input, I came across a drainage specialist named Randy Cooper, a retired SWFMD engineer. Mr. Cooper met with Ed Keene and me after a rainy day to walk the course. He and Ed discussed a variety of “fixes” based on our walk through. Mr. Cooper is going to provide KRC with a report and will present at this week’s Board of Directors meeting. Blake will then work with Ed as to how we may use the suggestions to make changes to the course. We will keep you informed.

The crow problem has subsided. We do not foresee any need to fund any type of crow abatement at this time.

The new dance floor will be installed by the end of the month. The MFP for the speaker system replacement is about 60% funded as of today. The ceiling fans are working and looking great. We changed a return air vent that was collecting air from the storage closet to drawing it from the dining room. What a difference it has made!

Our dinner service reservations continue to increase. Chef Jason is amazing us all with his creations. Becky has her team humming with new standard procedures that are wowing the summer diners. With my House Chair hat on, I’ll confidently say that you all are going to love the new dining experience at KRC.

With the help of Terry Schaefer, I’m having a new plaque made to commemorate our “Colonel Bob Elliot” Pro Shop. The original plaque was lost in the remodel.

I welcome and appreciate any feedback. I love KRC and want the best for its future.

Regards,

Lori Waggoner

## **GOLF COMMITTEE PROGRESS REPORT**

Mother nature in the name of Dorian caused us to cancel the Labor Day tournament. Next tournament will be October 12 Octoberfest.

Our golf professional Ken Butler has been in negotiation with Callaway golf in the hope of receiving a fitting cart from them that he can put in the pro shop area that will allow members to try the latest irons, woods, hybrids and putters and have them fitted to the proper specs for individual member/ Approximately 80% of golfers are ill fitted and this will let all players try demo clubs on course with Ken and not in a shop environment so we can all find the best club and shaft for each of us. Also, Ken is trying to arrange a "Demo Day" where Callaway will come to Key Royale for the day and we can all try a variety of clubs.

A reminder - Ken is available now for lessons - just give him a call at 941-524-9341.

Don't forget we still have about two months when we can take advantage of the Key Royale reciprocal arrangements with Sara Bay, Bradenton and River Wilderness country clubs. These reciprocals are good until October 31.

Bill MacMillan  
Golf Committee Chair

**It is with great sadness that we report the passing of member Gary Silke. Our condolences to his family.**

## **HOUSE**

We are in the process of obtaining some needed equipment for Chef Jason and his team. This will allow Jason to move towards even more house made items for our members. The difference in quality and costs will be significant.

The fans are installed, and it feels lovely in the dining room, not to mention the new dance floor is being installed in a couple weeks! Polish off those dancing shoes.

Becky Shannon  
House Manager

## **JUST A REMINDER ...**

Storm Season is upon us. We have a detailed Hurricane Preparedness Plan in place and have practiced. We do need volunteers to commit to helping in the case of an evacuation order. If you are available and willing to help, please email Stella at [marketing@keyroyaleclub.com](mailto:marketing@keyroyaleclub.com) to get on the Storm Contact List.

## **Attention Lady Golfers**

For those of you who spend the summer away, we wanted you to know about the Fall Doe Day theme before you return. It's "Lucy and Ethel Play Golf." It will be played in twosomes. The "Lucy" of the team will be the long hitter and the "Ethel" will be the short iron player. Both will putt. We're letting you know early so you can be thinking of who you might want for a partner. No worries! We'll match you up after sign-up (in October) if you need a partner.

There will also be a costume contest-so if you have Lucy/Ethel garb at your summer abode, be sure to bring it back with you. Costumes are not mandatory, but will add to the giggles.

Our committee is small so we'd love to have more members. If you'd like to be a part, just let us know. We especially need non-golfers to help on some of the holes. Even if you are not a ladies golf member, you are most welcome.

We are looking forward to seeing you back at KRC.

Pam Alvord and Marty Clark, Co-chairs, Fall Doe Day, November 12

Committee: Susan Van Orsdel and Sally York

## Events

I'm happy to advise that all entertainment for planned Events, have been booked for the 2019-2020 Season. We've changed it up a bit, keeping our favorites, and adding some new entertainment. I'm looking forward to the new Season, with all members, and welcoming our new members.

Over the Summer, I've seen a very positive response to our House Manager, Becky, and Chef Jason. Come join us for lunch, dinner, drinks, or any of our fun-filled parties.

Please refer to the attached KRC calendars for all KRC activities & events.

Anne Klein, Events Chair

## CALENDAR 2019-2020
